What does it say?

Get the letters in the correct order to find out what the message says. The letters are shown correctly under the correct column. You need to figure out which row they belong in. It is trial and error, deducting and reasoning. Good Luck!

Two letter boxes are given so you can try different arrangements of the letters in each box if you need to. Be sure to use a pencil with a good eraser.
An Easter lily blooms in early spring.

Can you make lots of words using only the letters in the sentence above? Write the words on the lines below. If you need to, turn over the page and write on the back.
