Sport Physical Examination Instructions

- 1. Parent to complete page 1, the History Form, placing their signature at the bottom of the page. Student is to sign at the bottom of the page.
- 2. Parent to complete page 2, the Athlete with Special Needs, with parent and student placing their signature at the bottom of the page.
- 3. The physical Examination and Clearance forms are to be completed by the physician or their designee.
- 4. Sport Exams are to be within 365 days of the first practice date to be eligible to participate in their sport.
- 5. Sport Examination paperwork is to be given to the Nurse only.

**** IMPORTANT REMINDERS**

The date of the physical examination must be placed at the designated section on the parent forms (History and Special Needs) by the doctor.

Please ask the doctor to write the exam date on the exam form also.

The doctor needs to complete the bottom of both pages with their signature and other information.

They also must sign the Cardiac Assessment Professional Development Module at the bottom of the Clearance form.

Thank You for your cooperation.

Mrs. Kalvaitis, RN

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, a physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).
